Families of Stein Valley Nlakapamux,

As we prepare for the Easter break, a couple of things to bring to your attention. SVNS continues to be in COVID-19 protocols. Students need to be masked on the bus, while in the building (except when working independently at their desks), and to disinfect when they enter from outside. We will continue to be in COVID-19 protocols until end of the school day, April 29.

A shout out to our PHE teacher, Shannon Morrow, who organized the afterschool school basketball camps for our students. Thanks to her dedicated time and effort, the students have had a great time, improving their basketball skills and getting some wonderful exercise. Finally,

Many thanks to our staff, with Charmayne and Karen directing, and students who worked exceptionally hard on Thursday, April 14, to prepare an excellent Easter lunch for students. Their efforts were greatly appreciated. A reminder if you could not attend Parent Teacher interviews, the afternoon of Thursday, April 14, please contact your child’s teacher to arrange another time.

Have a great break everyone!
Merle Hubbard
Principal, SVNS
We hope that you enjoy the Easter Basket (pork and turkey) with your family this long weekend!

From the SVNS Board and Staff
Grade 4/5:

Math: students worked on fractions and now figure out decimals.

Language Arts: students continue practicing writing paragraphs about their opinions, explore different categories of texts and learn to work with dictionaries.

Social Studies: students explored the changes and consequences that occurred after the contact with the Europeans.

Science: students learned about physical forces that they encounter in their daily lives and how forces affect the motion of an object. Next, students will be exploring earth materials.

ADST: students learned how to make short cartoons on iPads, worked with clay and wood, and made prints. This month we hope to experiment with the knots of macramé, do a project with driftwood and concrete.
